

JDS GARDENING

Gardener

Be part of a dynamic and rapidly growing young business with big ambitions for the future. We're looking to recruit a friendly, knowledgeable and qualified gardener. You will work in a small team and perform a variety of gardening tasks. The ideal candidate will be able to; work outdoors in adverse weather conditions, work effectively within a small team and possess basic knowledge of health and safety, travel daily to EH16 4UZ as a start and finish point, experience of gardening/landscaping would be advantageous, flexibility over the summer period.

About us

Founded 8 years ago by Josh Dow with just a single lawn mower, JDS Gardening now supports 10 employees to deliver commercial grounds maintenance, gardening, tree surgery, and fencing. Our plans for 2023 include expanding our services into waste management and launching an e-commerce store.

We're a young, ambitious, rapidly growing business. We want people around us who will help shape the business. In return, we offer a competitive salary with a full package of benefits including holiday, sick pay, and team social events.

The duties below form the main areas of responsibility; however these may change over time depending on the needs of the business.

The job

- To undertake work to a high standard; liaise with our clients; take instructions and have a "can do" attitude.
- Operate all garden machinery and tools in a safe and competent manor and strim to a high standard.
- Be able to advise clients on potential improvements from a horticultural perspective.
- Key maintenance tasks involve:
 - Strimming
 - Shrub Pruning
 - Hedge Trimming
 - Lawn Mowing
 - Flower bed maintenance
 - Weeding
 - Applying a selection of herbicides

What we want you to have

Licences:

- Clean and full Driving License (Preferred)
- PA1 & PA6 (Preferred)

Preferred Skillset:

- Strong horticultural knowledge
- Experience in all horticultural equipment.
- Enhanced communication and organisational skills.
- A willingness to learn new thing.
- Time management and planning.
- A positive attitude to execute, deliver and succeed in all aspects of life.
- To listen carefully and liaise with clients.

Experience:

- Gardener: 0-3 years (Required)

Qualifications/Education:

- NC in Horticulture/Landscaping (Required).
- HNC in Horticulture/Landscaping (Preferred).

What we want to see

- A team player
- An enthusiastic and positive attitude
- Someone who loves dealing with people and solving their problems
- Strong work ethic
- Ability to adapt to change and learn quickly

Job Type: Part time or Full-time positions are available. With an initial probationary period, and then an opportunity to carry on if a “good fit” for the company.

Pay

£10.18-£11.50 p/h
